BUD LIGHT
Same
s it ever
was.

The spirit of competitiveness between Worcester State College and Northern neighbor Fitchburg State College became a full-fledged rivalry on May 9, 1990 during a ceremony in the town of Sterling, which is centrally located between the two cities and colleges.

As agreed, the varsity athletic teams that played each other head-to-head from WSC and FSC would battle for the "Sterling Cup" and whichever college's teams earned the most points would win. Each sport was worth one point (a½ point for each game for sports which had two games between WSC and FSC).

The Falcons swooped down upon the Lancers to take points in mens soccer, women's volleyball and field hockey. A 3-0 deficit was not insurmountable, but Worcester State needed to catch up — and fast!

Worcester's proud mayor, Jordan Levy, bet Fitchburg mayor Jeffrey Bean, that the Lancers would pull off a win in football. Mayor Bean, of course, disagreed and took up the challenge.

On November 4, the Lancers did win for their first Sterling Cup point ever! With that, Mayor Bean came to the WSC Student Center wearing our school colors and giving a speech about the rivalry's importance to Cental Massachusetts. He later bought Mayor Levy a free dinner as part of the "gentleman's bet". Still, Fitchburg State led three points to one. With a total of nine points possible on the 1990-91 year, FSC needed just two more to win it all.

Women's and Men's basketball was dominating for the Blue & Gold, and each earned ½ points on Jan 10, and Feb. 2, 1991 to give Worcester State three points. However, the ECAC Champion skaters from FSC were too much for the Lancers in ice hockey on February 1, with the pesky Falcons still leading the Sterling Cup series 4 points to 3 with softball and baseball left.

Softball was the BIG W's best sport over the past several years. The 1991's players were defending ECAC champions. They swept the Falcons on April 6 to even the series to 4 points each.

That same day a mile away in Fitchburg, the baseball teams dueled in nip-and-tuck games, each for half a point. As it turned out, the Falcons held on to a 6-5 win in the first game. But the Lancers kept the Sterling Cup out of FSC's hands as well with a 10-8 second game victory!

No one had thought the first year's athletic competition could end in a tie, but it had: 4½ to 4½! No coin flips or special contests were held to break the tie, so the Cup will be shared again next year. Hopefully, though, with one less by FSC, the Cup and bragging rights will be WSC's in '92!!!

WORCESTER STATE COLLEGE
Fight Song
PROUD LANCERS

We are the Lancers, very proud and true,
Blue and gold forever, that's our motto too
We fight, fight, fight, with all our might
Win or lose, we keep shining bright
For, we are the Lancers, very proud and true.
REFRAIN (slow)
Our college with its song, makes us happy we belong
Looking at the future now, leads us on with courage strong
For, we are the Lancers, always serving you
Worcester State forever, very proud and true.

SPORTS

Lancer Crew

The Worcester State Crew team continued to expand this year. A new women's four shell was introduced and dedicated to Susan Chapman, the athletic director. The shell enabled the varsity women's four to power their way to winning the 1991 Worcester City Championships and the New England Championships. Senior Kate Davis won first place in the singles category in the fall Textile Regatta in Lowell. In the spring, the women's team expanded to include a novice eight boat which competed in one race. The Varsity men's four struggled through several changes in the fall season. In the spring, they beat schools such as the University of Connecticut and Assumption. In their first race of the fall season, the novice men's four won first place in the Snake Race in Worcester. The team had grown considerably in the past few years due to the dedication of Captain Curtis Cresta. He and senior Tracy Shaw graduated in May. They wish the team continued growth and success.

Bottom row (L to R): Julie Dobszynski, Kim Ferrecchia, Sean Fontaine, James Lawson, Tony Cronin, and Eduardo Mendez. Middle row: Tara McAdam, Melissa Souza, Captain Paige Grono, Captain Mike Shea, Bill McIntosh, Captain Curt Cresta, Chris Berthiaume, and Coach Dermid Reardon. Top row: Kate Davis, Tracy Shaw, Captain Leanne Shaughnessy, Kim Christy, Jen Reither, and Suzon Caron.

The men's four row up the Charles River in Boston to the starting line.

Jen Reither, Leanne Shaughnessy, Kate Davis, and Kim Christy smile for the camera at the Lowell Regatta.

RUGBY

Back Row (Left to Right — Standing) Coach Kent Newcomb, Rob "Noddle" Francis, Mike Brennan, Chris Muessel, Mike Wakatama, Bob "Bubba" Smith, Jas Tieuli, John Plet, Chuck Teppor, Mike Messineo, Scott "Scooter" Murphy, Db Makley, Lincoln Waterhouse, Jeff Waggot, Mike Grabowski, Chris Barnes, Jo Bull, and Alan Kier. On Knees (Left to Right) Trevor Friond, Troy Kennedy, Burt Lumpkin, Jeff Turgeon, Steve Frankee, Adam "The Missle" Bisol, a Thaddeus Burgmyer. Sitting in Front (Left to Right) Roy Rolfing and Chris "Eggy" Katon.

This year's Worcester State College Rugby Football Club played hard and partied hard. With many veterans of the 1989-1990 championship squad gone, the young Ruggers did their best and had fun . . . even if they didn't always win. A few things you could count on from the Ruggers included singing Ribald songs and the famous shooting of the boot — when a player drinks from the cleat or shoe of another Rugger. This was improved to include the shooting of the helmet — a large vietnam vintage army helmet. Oh, and you could always count on The Bone Crushing Hits of Lincoln Waterhouse and Mike Brennan; The Dashing Moves of Jeff Turgeon and Chris Barnes; The Thunderous Runs of Matt Walsh and Bob "Bubba" Smith, and Erik Kennedy Bleeding.

The team dedicated the spring season to Team Captain Erik Kennedy and John Wise who were serving their country in the Gulf the second semester.

Seniors leaving the club include President, Jeff Turgeon; Club Secretary, Mike Brennan; The Happiest Guy on the Team, Chuck Teppor; and The Big Man, Bubba Smith. Besides playing both a fall and spring season, the club also participated in such activities as marching in the St. Patrick's Day Parade through downtown Worcester; also competing in the intramural basketball league and joining in the Consortium Challenge. With reverence to the traditions of the club, the Ruggers have grown to become a special part of the Worcester State College Community.

Students Show Support for the Troops

On Wednesday February 20, the Student Center bustled with activity. A rally sponsored by Chandler Village Government was organized to show support for the men and women from Worcester State called to active duty. The Holy Cross Naval Reserve Officer Training Corps (NROTC) Color Guard marched down the aisle of the Student Center as the National Anthem was played. Afterward, there was a moment of silence in honor of all the men and women serving in the Persian Gulf. The *Cartunes*, a Rhode Island band, played as part of the rally. Tables were set up to collect books and letters to send to the troops. Also, Worcester State's television station (WSTS) was video taping messages to be sent to the students in the Gulf.

The Holy Cross Color Guard proceed down the aisle of the Student Center as many students look on.

The following students from Worcester State were called to active duty: George Economou, Peter Fecteau, Stephen P. Henningan, Robert Kasierski, Eric Kennedy, Steven P. Kenneway, Vicki LaForte, Sean Lewis, Brian Major, John Ocasio, David Rixham, Narriman Sheridan, Lisa Studley, Robert Sweeney, Jon-Gary Williams, John Wise, and Joseph Zackaricz. We salute you.

Hear, Lord, my prayer for my G.I.,
so eager to live — too young to die.
Beneath an alien blistering sun,
he faces a dangerous enemy gun.
The storm clouds gather, the horror of war,
my soldier stands bravely guarding the
door.
Defending justice, peace, and freedom,
to his commander-in-Chief give Holy
wisdom.
From war's alarms, bring swift release.
Hasten the day of honorable peace.
On land and sand and sea and air,
I back my soldier with this prayer:
"No matter how far he's forced to roam,
just bring, I pray, my G.I. home."
Amen

LEADERSHIP WORKSHOP 1990

This year's Leadership Workshop was the first at Treasure Valley in Paxton. Twenty-six students from several organizations left WSC at 4pm on Friday, September 21 for a two night, 3 day extravaganza in the Wilderness with 3 administrators from the Student Center. Their goal? To teach these student leaders and organization members how to become a more effective and efficient leader. The fun filled weekend was loaded with activities and tasks alike challenging each individual intellectually and physically. The newcomers also experienced the excellent cooking of Rick Pearson, who for 8 years has cooked for the students at LW.

MARDI GRAS MADNESS '91

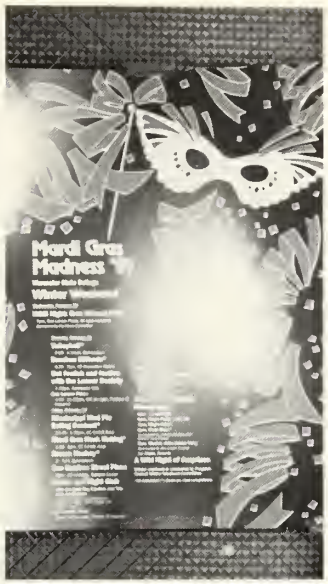
On February 20th through the 23rd, WCS got a taste of New Orleans during the annual class competitions. Students showed their class spirit by eating pounds of pudding, displayed their creativity in Mask Making and Skits, and boasted their physical prowess during Volleyball and Broom Hockey.

In addition to these competitions, student organizations sponsored events to keep the festivities going into the night. The Movie Committee kicked off the weekend with movies from the South. Lancer Society brought a comedy duo on Thursday. On Friday, students gambled for prizes at a Casino held by the Committee while listening to Jazz at the nightclub run by the Exhibitionists. The last night was a fun filled night of Cajun food, dancing and Bayou Buddies. The final scores were announced with the Class of '91 retaining their first place trophy.

In the tradition of Mardi Gras, the last song played was a sad ballad marking the end of the 27th Winter Carnival.

First place: Class of 1991 making this the second time a class has won in their junior and senior years. Their four year record is: third place in 1988; third place in 1989; first place in 1990 and first place in 1991.

Second place: Class of 1993. Their standing so far is: third place in 199 and second place in 1991.



Third place: Class of 1994. A strong showing for their first Winter Carnival.

Bucket Award: Class of 1992. The junior record for three years is: Bucket in 1989; second place in 1990 and the Bucket in 1991. Good luck in your senior year.

The 1991 Accolade is proudly dedicated to a student who gave so much of himself. That student is the 1991 Class President Paul Cahill.

Paul entered Worcester State knowing no one but left as one of the most respected.

After an uneventful Freshman year, Paul helped stabilize a topsy turvy class government by running for class Treasurer and won. During his term he helped create several successful fundraisers including the carepackages.

His junior year with the office of President vacant, he jumped at the chance. Paul took on a seemingly impossible task of uniting a class that had a tradition of apathy towards Student Activities. One of many positive events that Paul helped orchestrate was leading the class to a victory in the annual Winter Weekend. Paul reached out to get everyone in the class to bank together. To cap off his hard work during his first year as Class President, he was given the award as Best Class Officer by his peers.

During his senior year, although he followed old paths, he also created a few new ones. He once again was part of a team that helped form the winning combination for a consecutive Winter Weekend.

Paul also was one of the organizers, along with other class officers, that made Senior Week the most successful event at Worcester State, selling out most of the events. And again, Paul won the Best Class Officer award.

Hats off to a class officer who has established high standards for people to follow. Paul, in his two years as President, exemplified what it meant to be a Student Leader.
